

Ceremonies that make your heart sing!

“Laura is an absolute dream!! She is the perfect celebrant and right from the get go she really understood us and what we were looking for at our wedding ceremony! The script Laura wrote for us was so beautiful and we’ve had so many compliments from our guests who commented on how incredible Laura was! Laura is super chill, amazingly organised and incredibly friendly - making her the dream supplier! Book Laura as your celebrant... you won’t regret it, AMAZING!!! Can’t thank you enough!”

- K&O, Broadfield Court

“If you are thinking about going with Laura, we could not recommend her more highly! She made our day intimate, romantic and special. She supported us through the whole journey and made two people who aren’t hugely outspoken, tell our story comfortably in front of family and friends. She is by far the part of the day people have complimented the most, with a lot of our friends even rethinking their ceremony choices.

Honestly Laura, you were OUTSTANDING! 10/5 stars!!!”

From the moment you book, right up until your wedding day, I'll be with you every step of the way to create a beautiful ceremony that is completely unique! In the lead up to your wedding I will get to know you with a number of meetings; either on zoom or in person, to find out everything I need to write a ceremony that is perfectly 'you.'

Within your ceremony we can include readings, music, symbolic elements and more, and I can give you guidance and support if you'd like to write your own VOWS.

On the day itself I will work with your venue and your chosen suppliers to give you your dream ceremony that you and your guests will remember forever.
